WELCOME TO NATIONAL CITY CHRISTIAN CHURCH

Since 1981 National City Christian Church has presented midday concerts with a special emphasis on its heroic pipe organ. At most of our midday concerts you will hear the majestic roar of this 7,500-pipe, five-keyboard Möller organ (the city's third largest pipe organ) in 30-minute recitals of some of the most thrilling and audience-friendly music performed by some of the nation's finest organists.

You are encouraged to come see the console following the recital. Please visit the back of the sanctuary as well to investigate, touch, and explore the display of organ pipes, photographs of the inner workings of the organ, and other interesting information on organ history. Discover ways in which the unique art of organ building includes diverse technologies and crafts, such as computers, woodworking, electronics, and physics.

National City Christian Church is the national church of the Christian Church (Disciples of Christ), a house of prayer for all people, and home to an open and affirming community of faith. The congregation dates back to 1843, and the current sanctuary, designed by celebrated architect John Russell Pope, was dedicated in 1930. Pope later planned and built the National Archives and the Jefferson Memorial. NCCC has long been a church of presidents. James A. Garfield and Lyndon B. Johnson were members and actively involved in this congregation. During the 1980-81 renovation of the sanctuary, stained glass windows were installed to memorialize these two great leaders of our country. NCCC is actively involved in social service projects and supports organizations such as Martha's Table and N Street Village. It also distributes 10,000 bags of food each year at its weekly food pantry and is home to a number of non-profit organizations. Please join us for worship on Sundays at 10:00 a.m. Our services are currently being broadcast on the church's YouTube channel and Facebook page. Please visit our [website](#) for a complete listing of our offerings, services, and events.
